

Director's Report
May 27 2009

Capital:

Ongoing developments include obtaining bids for millwork.

Grants for Goppert and American Eagle were delivered/mailed May 22. We asked for about \$9,000 from each funder for young adult furniture.

Continuing Education:

Most staff attended a state databases workshop. We also closed the library for 2 hours this morning to have 18 staff attend a "How to Search" KOHA given by NEKLS.

Community:

Had lunch with Tom of Chamber of Commerce to discuss if library could help with strategic plan for county.

Policies:

Submitted two policies for Board review and approval this evening. Also, the employee manual for review and approval.

Programming:

Summer Reading for adults and children will start June 1. We have demonstration by Leanna and Shannon this evening to discuss.

Budget:

Is being discussed this evening for the 2010 year. I will call the Board's attention to flat growth in materials and programming lines.

Respectfully submitted,

Robin Flory
