

**Director's Report**  
**March 10 2010**

**Community:**

Leadership Class 2010 hosted a Family Fun Fest which had 300 attendees. We are raising money for this activity's longevity in the community and CASA. Partnered with Rotary and read to all the fourth grade classes with the help of 11 Rotary members. We received very good feedback on this. The program will be ongoing.

Worked at Rotary Chili.

We are going to be an Information Center for the US Census starting in the next two weeks for one month. They are setting up a table here and will provide staff.

**Housekeeping:**

Staff evaluations are under way. Library purchased lunch for staff this afternoon. I attend PLA in two weeks.

**Capital:**

Met with Hans and Lisa Lamb for remodeling sessions. The board is receiving an updated plan this evening.

**Programming:**

Adult programming continues at a brisk pace. The webpage is beautiful. We joined an online book club. Working on putting me in more programming.

Respectfully submitted,

Robin Flory
